

HOW TO SORT YOUR WASTE

Metal - Glass - Rigid Plastics
- Straight in your bin

Paper
- Straight in your bin

Food Waste
- In a kitchen bin liner

Residual Waste
- In a kitchen bin liner

HOW TO SORT YOUR WASTE

Food and beverage cartons, soft plastics and textiles must be collected separately in clear bin sacks. You can book a collection of your bulky waste 11 times a year. Alternatively you can deposit it at one of the 4 recycling centres in the municipality.

 MAD- & DRILLE- KARTONER

- bulky waste collection in a clear bin sack

 BLØD PLAST

- bulky waste collection in a clear bin sack

 TEKSTILAFFALD

- bulky waste collection in a clear bin sack

 FARLIGT AFFALD

- Hazardous Waste Box or Recycling Centre
HAZARDOUS WASTE - NEVER IN YOUR BIN

Hazardous waste should always be disposed of in a safe manner. There are several ways of disposing of hazardous waste safely:

1. The Recycling Centre
2. Hazardous Waste Box (if you have your own bin)
3. Caretaker Agreement (if your apartment building has one).

Order your hazardous waste box at www.affald.randers.dk/farligt

You can book your bulky waste collection via our app AffaldRanders or go to www.affald.randers.dk/storskrald and click on MIT AFFALD to book. You can also send us an E-mail at affald@randers.dk. or call 89 15 16 17. The app is free to download in App Store or Google Play.
